

PSE2015/ESCAPE25

Newsletter – November 2014

Dear colleagues,

We would like to thank all the authors who have been helping us to make the 12th PSE and 25th ESCAPE joint conference a success. We had a very successful call for abstracts! We had over 1100 abstracts from all over the world representing more than 50 countries. We have provisionally accepted close to 600 abstracts and we plan to provide a forum to present to all authors who confirm their participation and register on time.

Manuscript Deadline

Sunday, November 30, 2014, 24:00 (+1:00 GMT) is the deadline for manuscript submission. We hope all authors are able to respect this deadline as it is a strict deadline.

If you need to upload a revised version of your manuscript, or need to make any changes in your submission, please send it to us by [e-mail](#), before the deadline.

You will not have your manuscript ready by the deadline?

If your manuscripts cannot be ready by the announced deadline or if more work is needed to achieve the objectives, it may be better to simply present the latest developments without submitting a manuscript. If you prefer this option, please let us know in advance. There will be a book of abstracts containing all papers included in the technical program.
